

FUND FUTURES
NOT
FERRIS WHEELS

IN 2013, \$55 MILLION DOLLARS IN TIF FUNDS were sent to Navy Pier while the Mayor closed 50 schools, including 6 in Bronzeville. The 3rd Ward was hit hardest: 1,728 students lost their educational home.

Now, just two blocks away from where the Mayor funneled money for DePaul's new stadium, 3 new hotels, and the new Navy Pier Ferris Wheel, he is moving to close **NATIONAL TEACHERS ACADEMY**, a Level 1 school that serves majority African-American, majority low-income students.

TELL MAYOR RAHM EMANUEL TO FUND FUTURES, NOT FERRIS WHEELS.

Call your alderman and state representatives to ask them to tell the Mayor to stop closing our schools.
